COMMUNITY IMPACT POWERED BY PHILANTHROPY

Working together, we achieve greater impact.

1 We are a resource for caring individuals and the causes they support, enabling them to make a charitable impact on the community.

2 Because of our generous donors, we are able to invest millions back into the community through grants and scholarships.

We inform giving.

The Giving Partner is an online resource with in-depth information about more than 600 local charitable organizations. Donors can learn more about the organizations and causes they care about; nonprofits can enjoy exposure to funders, free trainings and consultations, and our simple Immediate Impact Grant process. www.TheGivingPartner.org

We're rent-free.

A \$2M gift by Leila Gompertz enabled us to purchase our land, build our building, and create the Building Endowment Fund, resulting in free meeting space for area nonprofits in perpetuity, no debt for our foundation, and available funds for ongoing maintenance. This means we have more money to invest back into the community.
