

Community Impact Grant Pool

2019-2020

The following list comprises funds in the 2019-2020 pool for the Community Foundation of Sarasota County's Community Impact Grant Program. This list was generated in August, 2019 and will not be updated as funds are allocated. Organizations do not need to identify a fund when applying to the Community Impact Grant Program. The purpose of publishing this list is to build awareness of some of the specific areas in which funding is available. If your organization/project is not a good fit for any of the funds listed, there is unrestricted funding available.

Alzheimer's

Alzheimer's Lifeliners Field of Interest Fund - For organizations that provide day care for dementia patients as a respite for families who care for the patient at home and could not otherwise afford day care.
