RESOURCES FOR HOUSELESS AMERICANS TO ACCESS STIMULUS CHECKS

As the next round of stimulus checks are distributed across the country, we want to lift up a way in which our houseless community members can also access their stimulus checks.

According to the IRS, people experiencing houselessness may be eligible for an Economic Impact Payment, but they must register with the IRS by using the free Non-Filers: Enter Payment Info Tool.

Below is a link to the IRS website with free online tools to file taxes for anyone with less than \$72,000 in income and instructions on how to access funds. Instructions are available in both English and Spanish.

We encourage you to share these resources with your clients, friends, family, or neighbors in need.
